**Additional comments**

Notified the office about the injured black cat with half a tail. He sleeps in the bushes sometimes in front of my building. I've attempted to have animal control pick up him up but unfortunately he had left. The animal control officer gave me the flyer for the Osceola County Pets and asked me to speak to Marry. I called 3/7 at 4pm but no response. Thank you.

**Are you willing to trap the cats yourself?**
