Please tell us about your Community Cats

Where are the cats located?

Outside my home

Address of colony

5071 mapletree ln

The cats appear to be

healthy

The cats are fed by:

myself

Additional comments

I feed the mother cat as well as her six kittens. all born december 2021. They are great with children as my two toddlers play with them but I cant keep any inside due to allergies. Other than the mother cat there are at least three other adult cats that I think are male and not sure who feeds them.

Are you willing to trap the cats yourself?

yes
