In a residential area that is not my home

Address of colony

Vineyards apts

The cats appear to be

healthy

The cats are fed by:

myself

Additional comments

I have been taking care of three to four feral cats for 5 years. I sneak over there because I do not live there it's at an apartment complex I've got in trouble many times for doing it. I am the only one that does it and I need help. One of them is not neutered

Are you willing to trap the cats yourself?

no
