ADDITIONAL COMMENTS ABOUT THE ANIMAL

I found two female puppies on Pocky Way and Storey Creek Blvd. They kept running into traffic and worried they would get hit I put them in my care and took them home. The puppies are very loveable and all they want to do is cuddle. They get a long we with my other dogs (Pitbull and Golden Retriever). I wish I could keep them both but unfortunately, I cannot. They look like sisters and the older one seems to take care of the smaller one. They are always together and do not separate from each other.
